**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The standards that ATT and the rest of the big players in telecommunication have set are so low almost any third party that has access to the UNE services can comfortably offer much better service at a much lower price. Taxpayers paid for the UNE network's construction, so it is our right to have access to the best possible deals UNE networks provide, and this petition undermines that. Please do not side with corporations over the interests of your constituents.

THANKS,

Aaron Alvarez
